Dear Sir,

Thank you for your interest in having your enlarged prostate treated at our facility. Dr. Bagla performs the Prostate Artery Embolization (PAE) procedure at the Vascular Institute of Virginia in Woodbridge, VA. He has performed the greatest number of PAE procedures in the United States (more than 400 to date). The Vascular Institute of Virginia is a state of the art outpatient, imaging/surgical center. For more information about our facility, please visit our website at [www.teamviv.com](http://www.teamviv.com).

Based on the information you provide on the attached forms, Dr. Bagla will be able to determine if you are an appropriate candidate for the procedure. If so, a phone consultation will be arranged, at which time you will have an opportunity to ask questions and have any of your concerns addressed. If it

is necessary for you to have any lab work or imaging done prior to performing the PAE procedure, we will email you prescriptions for those tests, so that you can have them done at a facility that is convenient for you. In addition to filling out the attached forms, please provide a photocopy of your driver's license or photo ID card and your health insurance card (front and back).

When you are ready to proceed, our financial coordinator will submit your information to your insurance company, for pre-authorization. We also have two cash options that can be discussed, if you decide to pay out of pocket.

For additional information regarding the procedure, please visit [www.peebetter.com](http://www.peebetter.com). If you have questions about our process, don't hesitate to contact our coordinator, Julie, who's information follows.

**PATIENT FINANCIAL RESPONSIBILITY DISCLOSURE STATEMENT**

Your signature below forms a binding agreement between the Vascular Institute of Virginia (VIV – the provider of medical services) and the Patient who is receiving medical services, or the Responsible Party for minor patients (those patients under 18 years old). Responsible Party is the individual who is financially responsible for payment of medical bills.

**All charges for services rendered are due and payable at the time of service.**

**MEDICAL INSURANCE:** We have contracts with many insurance companies, and we will bill them as a service to you. As the responsible party, you are responsible if your insurance company declines to pay for any reason.

The person signing on behalf of the Patient as the Responsible Party must:

- Inform VIV of the current address and phone number for the patient and the responsible party.
- Present all current insurance cards prior to each office visit.
- Verify at each visit that the information is current.
- Pay any required copay at the time of the visit.
- Pay any additional amount owing within 30 days of receiving a statement from our office. (When VIV receives an explanation of benefits (EOB) from your insurance company, any amounts that you need to pay will be billed to you).

**Returned Check Policy**

If a payment is made on an account by check, and the check is returned as Non-Sufficient Funds (NSF), Account Closed (AC), or Refer to Maker (RTM), the patient or the Patient's Responsible Party will be responsible for the original check amount in addition to a \$25.00 Service Charge. Once notice is received of the returned check, VIV will send out a letter to notify the Responsible Party of the returned check. If a response is not made within 15 days from the letter date by the Patient or the Responsible Party, the account may be turned over to our collection agency and a collection fee will be added to the outstanding balance – in addition to the \$25.00 Check Service Charge.

By signing below, you agree to accept full financial responsibility as a patient who is receiving medical services, or as the responsible party for minor patients. Your signature verifies that you have read the above disclosure statement, understand your responsibilities, and agree to these terms.
