PATIENT FINANCIAL RESPONSIBILITY DISCLOSURE STATEMENT

Your signature below forms a binding agreement between the Vascular Institute of Virginia (VIV – the provider of medical services) and the Patient who is receiving medical services, or the Responsible Party for minor patients (those patients under 18 years old). Responsible Party is the individual who is financially responsible for payment of medical bills.

- All charges for services rendered are due and payable at the time of service.
- If your co-pay is based upon a percentage, and you do not have a secondary policy, please be prepared to pay your percentage.

PLEASE FAMILIARIZE YOURSELF WITH THE RULES AND REQUIRMENTS OF YOUR INSURANCE.

MEDICAL INSURANCE: We have contracts with many insurance companies, and we will bill them as a service to you. As the responsible party, you are responsible if your insurance company declines to pay for any reason.

The patient or person signing on behalf of the Patient as the Responsible Party must:

- Inform VIV of the current address and phone number for the patient and the responsible party.
- Present all current insurance cards prior to each office visit.
- Verify at each visit that the information is current.
- Pay any required copay, deductible and non-covered services at the time of the visit.
- Pay any additional amount owing within 30 days of receiving a statement from our office. (When VIV receives an explanation of benefits (EOB) from your insurance company, any amounts that you need to pay will be billed to you).

RETURNED CHECK POLICY: If a payment is made on an account by check, and the check is returned as Non-Sufficient Funds (NSF), Account Closed (AC), or Refer to Maker (RTM), the patient or the Patient's Responsible Party will be responsible for the original check amount in addition to a \$25.00 Service Charge. Once notice is received of the returned check, VIV will send out a letter to notify the Responsible Party of the returned check. If a response is not made within 15 days from the letter date by the Patient or the Responsible Party, the account may be turned over to our collection agency and a collection fee will be added to the outstanding balance – in addition to the \$25.00 Check Service Charge.

SELF PAY: If you do not have health insurance, payment is expected at the time of service unless other arrangements have been made prior to treatment. If a payment plan is needed for your services, please contact our office to speak to our billing department.
